

Z O H R A SALON

Zohra Salon is one of our newest Booster sponsors and a favorite local business among Churchill students and families. A family owned and operated business, Zohra offers a wide variety of hair services including the latest trends in styling, colors and cuts. Their stylists are some of the best in the industry, providing exceptional quality and service.

You can find Churchill community members in Zohra's Park Potomac salon regularly so it's no surprise that homecoming weekend they had a steady flow of Churchill athletes and students getting primped for the dance and other festivities. Zohra has a special connection to Churchill as Manager Yvonne Bunces is also a Churchill parent to Freshman, Antonella Bunces!

Thank you, Zohra for your Boosters support and for keeping our kids
(and parents) styled!
