Dear friend,

On behalf of Hispanos Unidos de Buffalo (HUB) and our sister organization Promesa Alba de Vida, we invite you to support our Annual Fundraiser, to be held this year on Thursday, July 23, 2026 from 11:30am-2:30pm at The Admiral Room, located at 237 Main St, Buffalo, NY 14203.

We hope you will join us for an inspiring brunch and networking, as we highlight the many accomplishments and milestones that our organization has celebrated over the past year.

Founded in 1989, HUB is a Buffalo-based nonprofit organization that provides integrated care and social services to underserved and vulnerable populations across the Western New York Region. Among other critical resources, HUB provides affordable and supportive housing, rapid rehousing, domestic violence counseling and youth preventive services, senior services, health home services, and a food pantry, as well as access to mental health and addiction treatment through Alba de Vida.

This year, we are proud to spotlight our work through our care coordination efforts, specifically HUB's Health Homes and the Housing Specialists who provide expert, culturally responsive support and guidance to help manage a person's health care and overall wellness.

We hope you will consider supporting our Fundraising Brunch, which raises much-needed funds to support our critical work with our patients and community at large.

If you have any questions or would like to discuss your potential sponsorship, please contact Allissa Rodriguez at 646-739-0880 or alrodriguez@hubwny.org.

Thank you for being a valued partner!

Sincerely,

Hispanos Unidos de Buffalo
