

GET YOUR COVID-19 VACCINE OR BOOSTER SHOT TODAY

PROTECT YOURSELF AND THOSE AROUND YOU

Acacia Network is offering the COVID-19 vaccine at its Federally Qualified Health Centers (FQHCs) to pre-registered New Yorkers who meet the eligibility criteria. For more info on current eligibility guidelines, visit: <https://nyc.gov/covidvaccine>

Who is eligible?

Acacia Network and our health partner, La Casa de Salud, are offering the COVID-19 vaccine **initial series**, as well as the **booster** shot and **third dose** for eligible individuals.

Please note: Although the COVID-19 vaccine is available for individuals age 5 and older, minors under the age of 18 can only receive the Pfizer/BioNTech vaccine. Because Acacia Network *is not* presently administering the Pfizer vaccine, we can only make appointments for **individuals ages 18+** at this time.
