

October 2026 edition

We are in the final stretch of our Legacy of Light campaign. To be specific it is 7 months or 28 weeks or 201 days (from October 10, 2026). We have been blessed by several donors, over the years, that have donated nearly \$150,000 of the \$700,000 we currently have received. God has blessed Atholton's members and friends allowing them to donate \$550,000 through monthly or weekly commitments; Giving Up things; reallocating funds for entertainment, clothing, subscriptions, hair cuts, etc....

October 2nd one hundred percent of the AAA staff and student body participated in an indoor yard sale that took two or three hours out of the school day and raised over \$1,200. The students and others brought gently used books, toys, games, puzzles or food items they donated to be sold. Grades PreK thru First were able to purchase treasures for 25 cents to \$2. Grades Second thru Twelfth had many \$1 items as well as \$2, \$5, \$10 and some for a tad more. It was really inspiring to see our whole school, students and staff, one hundred percent participating and adding to our campaign goal while enjoying their time together.

We have eighty-two days or eleven weeks to raise \$64,310 more to match the current \$75,000 match. If everyone of our 652 members gave \$100 between now and December 31st, we would make the match. However, less than half of the 652 members are actual donors. So, if each of those members just gave \$200 by December 31st we still could make the match. By reaching the \$75,000 match we would only have about \$150,000 left to raise by April 27. Remember what we don't raise will impact the ministries we are able to do.

A few suggestions to help us reach our goal:

- talk with friends and family members and ask them to contribute
- give double what you normally give for October, November or December
- give creatively this holiday season. Instead of candles or treats give a card that says you donated an amount to this campaign
- those that have Required Minimum Distribution funds remember our campaign and the blessing of giving to your church and school family

Thank you to each and every one who continues to support our Legacy of Light Growing Disciples Campaign. We would not be as close to our goal if it weren't for you!

Legacy of Light \$1,000,000 Goal

as of September 30, 2026

we have raised **\$700,171** which is **70.02%** of our goal
which leaves **\$299,829** to raise by April, 2027

How to Make a Contribution to the Legacy of Light - Growing Disciples Campaign

- 1- <https://www.atholton.org/>

Select online giving tab at top of page then
Select the line Legacy of Light Campaign

OR
