AGM Speech September 24, 2024

HI My name is David

Hi My Name is Ann

We are the president and vice president of the self advocates group.

- Every month we meet as a group to talk about self advocating and how to teach others to self advocate.
- We enjoy meeting because we get to be with our friends,
- We get to know what's going on at class
- We get to advocate to have parties

A few of our achievements over this past year were…….

- Meeting Keith Dee from Ontario community Living.

He was able to tell us how other self advocates groups are ran, and really liked ours as well.

- We had a Christmas Party

The Leach family donated 3000.00 Dollars to us.

- The leaches donated these funds, 6 of us are going to the "Speaking Out" conference in Port Elgin on October 18th, 19, and 20th.
  We are excited to learn new things about self advocating at the conference.

More importantly,

- One of the self advocates was able to advocate for themselves and their voice was heard.
  The future is brite for us all.

  Thank you for taking the time to hear our speech.

  Ann
  David
