Partnerships

At CLASS, we believe that building an inclusive community starts with strong relationships. Whether we're working alongside families, advocacy groups, or provincial leaders, partnerships help us live our mission: to foster personal journeys and support people in leading self-directed, meaningful lives.

Our vision of a community where everyone is valued can't be achieved in isolation. That's why we nurture connections with partners like:

- Community Living Ontario (CLO)
- Ontario Association on Developmental Disabilities (OADD)
- Ontario Agencies Supporting Individuals with Special Needs (OASIS)
- Developmental Services Ontario (DSO)
- Ontario Disability Employment Network (ODEN)
- Microboards Ontario
- Honda Canada Foundation
- Our local businesses, chambers, suppliers, funders, community partners, and employment networks
- Other partnerships are listed on our **website.**

Each collaboration brings fresh ideas, resources, and opportunities — helping us grow our impact and better support people across South Simcoe.

Together, we're building something stronger than any one organization could do alone.
