LEG Up! to Material Handling

Community Living Association for South Simcoe, Simcoe Muskoka Skillforce and Next Step Literacy are partnered to provide **LEG Up! to Material Handling**.

LEG Up! to Material Handling is a skill-building program that prepares adult job seekers who have barriers to employment for work in a variety of sectors. After an 8-week training course, participants work with a Skills Trainer with the goal to find a job.

Once employed, the Skills Trainer continues to provide support to the employee and employer!

Did you know?
Businesses that practice inclusive hiring of people who have a disability, experience:

- 72% more productivity
- 45% increase in workplace safety
- 30% higher profit margins; and two times the net income of other businesses.

This Employment Ontario program is funded in part by the Government of Canada and the Government of Ontario

Did you know?
Material handling happens in multiple industries, like retail, manufacturing, construction, warehousing, waste management and remediation, wholesale, utilities, and agriculture. A material handler could be moving parts or raw materials, sorting through waste for recyclable metal and other materials, helping get things ready to ship.
