Honouring Our Retiring Board Members

Community Living Association for South Simcoe (CLASS) extends its heartfelt gratitude to **Colleen Butler** and **Dr. Matt Myatt**, who are retiring from our Board of Directors after years of dedicated service and leadership.

Throughout their tenure, Colleen and Matt have each made exceptional contributions to advancing CLASS's mission of supporting people with developmental disabilities to live full and connected lives.

As Board President, Colleen's thoughtful and methodical approach to governance has been instrumental in guiding CLASS toward compliance with the Ontario Not-for-Profit Corporations Act (ONCA). During her 16 years of board of director involvement, from September 2009 to July 2025, Colleen's steady leadership, commitment to accountability, and deep belief in inclusion have strengthened our organization and set a strong foundation for the future.

Dr. Matt Myatt's wise counsel and compassionate leadership were especially invaluable during the COVID-19 pandemic. During his 9 years of board of director involvement, from September 2016 to July 2025, Matt's guidance helped CLASS navigate an unprecedented time with resilience and care, ensuring the well-being of the people we support, our staff, and the broader community remained at the heart of every decision.

On behalf of the entire CLASS community, we thank Colleen and Matt for their dedication, insight, and service. Their impact and legacy of leadership will continue to inspire CLASS for years to come, and we wish them every success and happiness in their next chapters.
