MICROBOARDS

A Microboard is a group of committed family and friends who join together with a person who has a disability to create a supportive not-for-profit corporation.

Karen Bell, Executive Director of Microboards Ontario will talk about the growth of microboards in Ontario and the benefits they can provide to persons who have a disability, their families and friends.

FAMILY ADVOCACY

Families have and continue to be a vital part of regional and provincial advocacy on behalf of their children.

Community Living Ontario has a long history of family engagement, offering a variety of ways to help empower families to build a better future for their loved ones. Chris Beesley, CEO CLO and Jo-Anne Demick, Director Stakeholder Relations will speak on effective means for engaging each other and government.

JOURNEY TO BELONGING

In 2022 MCCSS announced a 10-year plan to reform the development services sector. At the centre of this reform the government will eventually introduce 'individualized residential funding'.

Brendon Pooran of Pooran Law has been providing legal support and advice to families and agencies in Ontario for many years. He will provide a review of the reform agenda and how to be prepared.
