

A Personal Message from Don and Ginny

After 27 of the most wonderful years of our lives, Ginny and I are stepping down from our positions at Pawleys Island Community Church, effective today, July 17, 2026.

In light of the events of this past week and the concerns surrounding the church, we believe resigning is necessary so that PICC can begin healing and moving forward.

PICC is blessed with an amazing staff that serves as the backbone of our church family. Our staff was unfairly caught in the crossfire of this past week. They are dedicated, Jesus loving, energetic leaders that are committed to rebuild this ministry. Please continue to pray for them and their lead.

Let's all be lifting PICC and PICA up to the Lord for Him to do a work of restoration. It may not feel like it today, but the best days for PICC, PICA, and you, the congregation, are still ahead as we continue to show love, in the image of Jesus Christ.

God Bless.
