ORTHOPAEDICS REFERRAL GUIDE

When in doubt, ortho's the route!

The Orthopaedics and Sports Medicine team reviews every referral to ensure patients are scheduled with the most appropriate provider. Front desk staff are trained in triaging patients to get to the right provider. If specialty care outside this department is needed, staff will coordinate a new referral for the patient.

PARTICIPATING PROVIDERS

- Alexander Conti, MD - *Ortho*
- Jeff McElroy, MD - *Ortho*
- Lunden Ryan, MD - *Ortho*
- Matt Noyes, MD - *Ortho*

ORTHOPAEDICS

- Orthopaedic surgeons treat fractures in patients of all ages.
- No imaging workup is required prior to referral.
- DME is available at the Orthopaedics and Sports Medicine offices.
- Patients age two and under are reviewed on a case-by-case basis. If pediatric orthopaedic care is needed, the team will coordinate the referral.
- Can treat many common hand and upper extremity conditions and injuries, including: carpal tunnel syndrome, trigger finger, extensor tendon injuries, traumatic fingertip injuries/amputations, thumb arthritis (CMC joint), De Quervain's disease, Dupuytren's contracture. If a hand specialist is needed, our team will coordinate the referral.

SPORTS MEDICINE

- Can treat patients ages eight and older.
- Concussion care is available for all ages and all causes, including: sports-related injuries, falls, motor vehicle accidents, other head injuries.
