Denay May, MSN, CNM, WHNP

Women's Health Nurse Practitioner
Certified Nurse Midwife

Denay May, MSN, CNM, WHNP is a dedicated Certified Nurse Midwife and Women's Health Nurse Practitioner committed to providing compassionate, comprehensive care to women across every stage of life. She earned her Bachelor of Science in Nursing from Anderson University and her Master of Science in Nursing from The Ohio State University, where she specialized in midwifery and women's health. Denay is passionate about supporting women from pre-pubescence through post-menopause, with a focus on personalized, evidence-based care throughout the antepartum, intrapartum, and postpartum periods.

With a strong foundation in both clinical practice and education, Denay brings a wealth of experience to her role. She has served as a CNM/WHNP in an OB-GYN setting and held multiple positions including Labor and Delivery Nurse, Education Coordinator, and Staff Development Specialist. In addition, she has contributed to the education of future nurses as a clinical instructor and lecturer in obstetrics. Denay's breadth of experience reflects her deep commitment to advancing women's health and supporting families in her community with skill, empathy, and expertise.
