

Welcome!

Megan Fluharty, PA

Dermatology

Megan Fluharty is a Dermatology Physician Assistant dedicated to the management of acute and chronic dermatological conditions for her patients. She earned an undergraduate degree in Engineering at the University of Cincinnati College of Engineering and earned her Physician Assistant degree at Marietta College's Physician Assistant Program.

Megan specializes in skin conditions such as psoriasis, cutaneous manifestations of internal diseases, autoimmune disease, tinea, acne, and more. Her clinical and surgical practice involves performing biopsies, extractions, drainages on numerous types of skin lesions and surgical excisions on Atypical nevi, Squamous and Basal Cell Carcinoma, and Melanoma In-Suti lesions.
