

Extended Medicare Coverage for Working People with Disabilities. Beneficiaries receiving SSDI

As long as your disabling condition still meets our rules, you can keep your Medicare coverage for at least 8 ½ years after you return to work. (The 8 ½ years includes your nine month trial work Period)

Your Medicare hospital insurance (Part A) coverage is premium-free. Your Medicare medical insurance (Part B) coverage will also continue. You or a third party (if applicable) will continue to pay for Part B. If your Social Security Disability Insurance cash benefits stop due to your work, you or a third party (if applicable) will be billed every 3 months for your medical insurance premiums. If you are receiving cash benefits, your medical insurance premiums will be deducted monthly from your check.
