

## Why AmazonSmile makes me Smile!

Everyone has a guilty pleasure, for some it may be a molten chocolate cake, for others a reality TV show, unfortunately (for my bank account) mine is Amazon shopping. My first thought when I need an item whether it be paper towels or a cute romper is: “oh I’ll just buy it on Amazon.” The website has proven countless times to be an affordable and convenient shopping experience, and AmazonSmile gives it that one key element that was lacking: giving back to the community.

AmazonSmile donates 0.5% of the purchase price of certain items to a charity of your choice! However, you must make your purchase on the AmazonSmile website, which has a separate url than the regular Amazon.com. My advice? Choose Disability Independence Group as your AmazonSmile charity and bookmark the direct website!

Follow these steps to support DIG through your everyday purchases:

1. Go to [www.justdigit.org](http://www.justdigit.org)

2. Scroll down to the section: “Shop at AmazonSmile”
