

Hurricane Preparedness: Emergency & Evacuation Assistance Program (EEAP)

Don't let a hurricane catch you off guard, prepare in advance by registering for the **Emergency & Evacuation Assistance Program (EEAP)**. Intended for residents that may need specialized transportation assistance or whose medical needs prevent them from evacuating themselves, the program is designed to provide evacuation support to those who live in their own homes or with their families. EEAP also offers post-disaster wellness checks. Pre-registered clients have priority so register now by calling 3-1-1 or through the online application.

Remember, in the event of an emergency call 3-1-1 or see the attached list of evacuation centers. All shelters allow service animals. Disaster kits containing your bedding, medications and personal supplies are encouraged.
