

September 25, 2022

Dear Parents,

My name is Mr. Mark Adams, and I will be the moderator for the Lego Robotics League here at Mill Creek Academy. I am looking to fill spots for our team **MCA: Mechanical Mustangs**, and I am looking for students in grades 4<sup>th</sup> through 8<sup>th</sup> to embark on the discovery and love of Robotics! And yes, Lego too!

I am looking for **10** eager, creative and passionate students who have an interest in Robotics, LEGO, Programming, and STEM. **These meetings will be held on the first Monday of the month in my classroom, room 401, between 3:20pm – 4:20pm. Our first meeting will be held on Monday October 3<sup>rd</sup>.**

If you are interested, please have your parent/legal guardian sign the bottom of this form and turn in a 1-page essay on why you are interested in joining and what do you hope to learn and gain from participating.

**Please have both papers turned in to me no later than Monday October 3, 2022.**
