

### **Register for Fall Classes at Youth Theatre Northwest! (ages 2-18)**

Did you know that theatre skills are life skills? Youth Theatre Northwest's dynamic classes inspire imagination and creative thinking while preparing kids for adulthood. Our expansive roster of Fall Classes, taught by expert instructors, feature popular themes and stories that your children will enjoy. If they love pretending they are Dory swimming in the ocean depths or onboard a pirate ship in search of treasure or even singing and dancing a tune from *Annie*; we have the perfect class for them. And if your child is quiet and shy or loud and rambunctious and in need of a nurturing place to focus their creative energy, YTN can be a safe home for them.

Register your child at YTN to:

- build confidence,
- develop problem-solving skills
- nurture empathy
- encourage communication
- and embrace collaborative thinking

Plus, our classes provide a safe place for a healthy release of emotions by encouraging play and fun. What more could parents ask for?

### **Extra special!**

- New students receive a 25% discount
- Mercer Island Schools buses will transport your child directly to YTN!
- Full and partial scholarships are available. Please inquire with our Registrar Stephanie!

### **Classes in the spotlight:**
