## Imagine with Fashion

Do you love clothes, shopping and fashion? This may be the class for you! We will begin with creating a sketch book to keep all of our creative inspirations in! Students will discover the art of fashion illustration and figure drawing as we make a fashion model watercolor illustration and design her outfit. Design art work using paint for two rings you can wear as well as a keepsake pouch!

Inspired by Project Runway, we will design and sketch a one-of-a-kind accessory, painting our final version with acrylics and framing it!

Our finale for the class is a collage project incorporating our very own clothing design! And remember, Dress for Mess!
