

### Statement Regarding the Passing of Keith Simmonds

**Niagara Falls, Canada – September 25, 2022** – The Jim Pattison Group, Ripley Entertainment Inc., and Great Wolf Lodge of Niagara Falls are deeply saddened by the loss of their passionate leader, Keith Simmonds. Keith was the Lodge's General Manager Vice President and Head Howler since the inception of the family destination over 17 years ago. He took great care in supporting his work family and instilling a sense of pride in everything that his team did. Keith often referred to the Lodge as the "Little Log Cabin on the Parkway" and was instrumental in ensuring the success and growth of the company's Niagara Falls location.

We extend our heartfelt sympathy to Keith's wife, Toby, and his children, Ben and Nick. Our top priority now is to support them through this tragic time as they were the centre of Keith's world. Everyone who knew Keith recognized his love of family, cycling, and philanthropy. He was a loyal friend and a compassionate giver, seen in both his personal life and professional endeavors.

Keith Simmonds was – and will remain – a cherished member of the Niagara community. He will be deeply missed.
