

Are you looking for educational events to add to your calendar?
Look no further. Elders Climate Action Can Help.

ECA Monthly
National Call

4th Tuesday of the Month
7:00 ET | 4:00 PT

Each month Elders Climate Action hosts a guest speaker on our National Call to help inspire, inform and engage elders in unifying our voice toward legislative actions that will protect our grandchildren, future generations and all life. We invite your community to join the next Elders Climate Action Monthly National Call, and add the call to your monthly calendar of events.

Connecting to the call is easy. All you need is an internet connection. Find the link for the call on the [ECA Website](#) or by joining our mailing list. Elders Climate Action is a non-profit, non-partisan organization focused on building a movement of elders who are taking climate action.

4th Tuesday of the Month, 7:00 PM (ET) | 4:00 PM (PT)

What can a bunch of elders do to make a difference on climate change?

There is a lot we can do, but most of all we can take action on climate change with our collective voice, our informed vote in every election, our personal choices, and how we choose to spend and invest our money. **Join us and learn more to help protect the future.**
