### COURTYARD BY MARRIOTT HOTEL TO OPEN IN PORTLAND, OREGON

*Innovative Design and Flexible Space Tailors to the Needs of Today's Travelers*

Portland, OR – October 19, 2020 – [Courtyard by Marriott Portland East](#) is scheduled to open its doors in Portland, Oregon this Wednesday, October 21<sup>st</sup>. Featuring an innovative lobby space as well as Courtyard's latest contemporary room design, the new hotel provides flexibility and choices that allow guests to optimize and elevate their travel experience.

Located at 2811 NE 181<sup>st</sup> Avenue, the 91-room hotel will operate as a Marriott franchise, owned by Lodging Management Northwest LLC and managed by [InnVentures LLC](#) of Tukwila, Washington. Whether traveling for business or pleasure, the Courtyard by Marriott Portland East offers guests convenient access to Mt. Hood Skibowl, Timberline Lodge, McMenamins Edgefield, Multnomah Falls and Pioneer Place.

Courtyard continues to innovate the guest experience to meet the changing needs of its guests. The latest room design offers hybrid zones for working, sleeping, relaxing and getting ready. Indirect lighting and a neutral, tone-on-tone color palette provides an elevated and modernized look and feel during the full guest experience from booking to stay.

The new room design is intuitive and thoughtful, offering flexible yet comfortable spaces that enable technology. Upon arrival, guests can store bags on the "Luggage Drop" and plug personal devices into the "Tech Drop" ledge for seamless technology integration. Signature furniture and architectural elements replace traditional art in the new guestroom. The "LoungeAround" sofa offers a pop of color and a comfortable area for relaxing or for working. The new design also features a light desk on wheels, allowing guests to work from anywhere in the room.

An upgraded, more spacious layout creates an enhanced bathroom experience. A "Shower Nook," housing shampoos and towels, makes amenities accessible without having to leave the shower.

The Courtyard by Marriott Portland East features the brand's latest lobby design, where guests can enjoy an open and modern environment outside of their rooms. As an extension to Courtyard's inviting

public spaces, the newly designed Bistro is the epicenter of the lobby, which fosters social connections and collaboration with more flexible and informal seating options. As an ideal casual dining destination, the new Bistro offers guests a wide variety of fresh Classic American menu items with a contemporary twist. In the evening, the Bistro Bar also features an array of cocktails, beer and wine for guests to enjoy at the end of the day. The entire menu was carefully designed to offer a variety of flavorful, fresh items to satisfy every palate from morning to night.

Throughout the hotel, guests can connect with ample electrical outlets. The business library features several computer terminals, along with a printer and separate computer stations dedicated solely to printing airline boarding passes and checking flight status.

The four-story hotel features an indoor swimming pool, a well-equipped fitness center, an expansive outdoor seating area with a fire pit, guest laundry and offers 702 square feet of meeting space.
