Clackamas County Bank Gresham Branch Celebrates New Location *Grand Opening for a Community Minded Bank*

GRESHAM, Ore. – Changing the Image of a Bank

Clackamas County Bank started in Sandy, OR 109 years ago (1911). Since then, the Bank has expanded to Welches, Boring and Gresham Oregon. The Gresham branch has moved to the new location on the corner of Burnside and Cleveland (1101 N.E. Burnside) in a vibrant modern facility of over 8,000 square feet.

Serving the Gresham community since 1989, Clackamas County Bank's new location will better service the area with a community space and new ITM/ATM drive through service. A 720 square foot community space is available for local non-profit organizations and other local organizations to use. New technology is in place with an ITM (Interactive Teller Machine)/ATM drive through service. These machines provide expanded service to customers from the convenience and safety of their vehicle.

The new bank has a unique warm feel owing to the creativity from SUM Design Studios, the out of the box thinking by AKS Engineering and the craftsmanship by Bremik Construction. Clackamas County Bank will host a Grand Opening Celebration on March 12, 2020 from 12 PM to 5 PM. An official ribbon cutting will take place at 1 PM with our Board Members, President, Management, and Employees. Customers and community members are welcome to tour the new building and meet our staff while enjoying refreshments and giveaways.
