**LOCALLY OWNED H2GO CAR WASH TO OFFER FREE CAR WASHES TO CELEBRATE
GRAND OPENING OF THIRD HUNTINGTON BEACH LOCATION,
SIXTH IN ORANGE COUNTY**

Sept. 26, 2024—HUNTINGTON BEACH, Calif.-- H2GO Car Wash, an Orange County-based, family-owned car wash business, has opened its sixth location in total and third in Huntington Beach. The new car wash is located at 19002 Brookhurst Street, on the southeast corner of Brookhurst Street and Garfield Avenue.

To celebrate the grand opening of its newest site, H2GO will welcome the Huntington Beach community by offering free car washes during the first 10 days of its opening.

The new location is H2GO's first to use a belt conveyor, which will provide users the smoothest ride yet in the wash tunnel and the best customer experience. This location will also be outfitted with license plate recognition, a new technology that was implemented across all H2GO locations earlier this year.

H2GO's most value-driven option for customers is its Unlimited Club Plan, which enables them to wash as frequently as they wish at any of H2GO's six locations, including the newest Huntington Beach site.

"We are ecstatic to serve even more of our family's hometown community with our third wash in Huntington Beach," says Ryan Blanchard, Chief Operating Officer. "H2GO is here to make life easier and help our customers feel proud of their clean cars each day – all while protecting the environment in Southern California."

H2GO customers enjoy the following amenities at each wash:

- Free dashboard wipes
- Free use of vacuums, mat cleaners, and compressed air

- No upcharges for SUVs and trucks

About H2GO Car Wash

H2GO Car Wash's mission is to efficiently deliver the highest quality exterior car wash in Southern California while conserving water and using earth-friendly products. The company opened its first location in 2012 and currently operates locations in Westminster, Huntington Beach, Cypress, and Rancho Santa Margarita. Each location offers three levels of washes ranging from \$10 to \$20 that are complete in less than five minutes.
