

GROUP ACTIVITY

This activity can be used in a small group at church or even with your kids at home!

Sing It Out

Directions: Place the Bible verse sign in the middle of the group and read it carefully with your kids several times so they can begin to memorize it.

“Two people are better than one. They can help each other in everything they do.”
Ecclesiastes 4:9

Ask your group to listen carefully as you read the verse a few times. Then, tell your group that they’re going to make up a tune to sing the verse to. Start your group off with an example of how you might sing the verse and then ask the kids if they have any different suggestions. Consider clapping along to the beat of the song as your group sings. After singing the verse a few times, ask if anyone else wants to sing it to a different tune or in a different silly voice such as robot, giant bear, or super-fast. Let your group choose how they would like to sing it. Continue the activity until it appears that your group can remember the verse. Afterwards, ask the following question:

Question: It can be hard to follow Jesus all by yourself. How can being in a group like this help you love and follow Jesus more?
