

# MULTI-FUNCTION STANDS

In an effort to support our nation and community, and continue to keep our employees working, Katanacraft has identified a need due to the COVID-19 Pandemic. Both of our boat fabrication manufacturing facilities in Grants Pass, Oregon are now being dedicated to the production of cost effective multi-functional stands that can be used to enhance the health and safety of those within our healthcare, business and government agencies.

HEALTHCARE • GOVERNMENT • COMMERCIAL

## HOLDS AUTOMATED OR MANUAL DISPENSERS

AT ADA ACCESSIBLE LEVELS, FOR SANITIZER, SOAPS AND OTHER CHEMICALS

## 100% SEALED FOR EASY SANITATION

IN HEALTHCARE, GOVERNMENT AND COMMERCIAL SETTINGS

## HOLD SIGNAGE OR USE AS STANCHIONS

FOR CROWD CONTROL AND INFORMATION

## 100% ALUMINUM

WITH INTENSE DURABILITY TO WITHSTAND ALL WEATHER TYPES

LOCALLY OWNED AND OPERATED IN SOUTHERN OREGON

DISASTER RELIEF ACTIVATION

(541) 441-3097

TRAVIS@KATANACRAFT.COM

## EASY PORTABILITY

## CUSTOM FABRICATION OPTIONS

CAN BE CUSTOMIZED FOR ALL MULTI-FUNCTION NEEDS

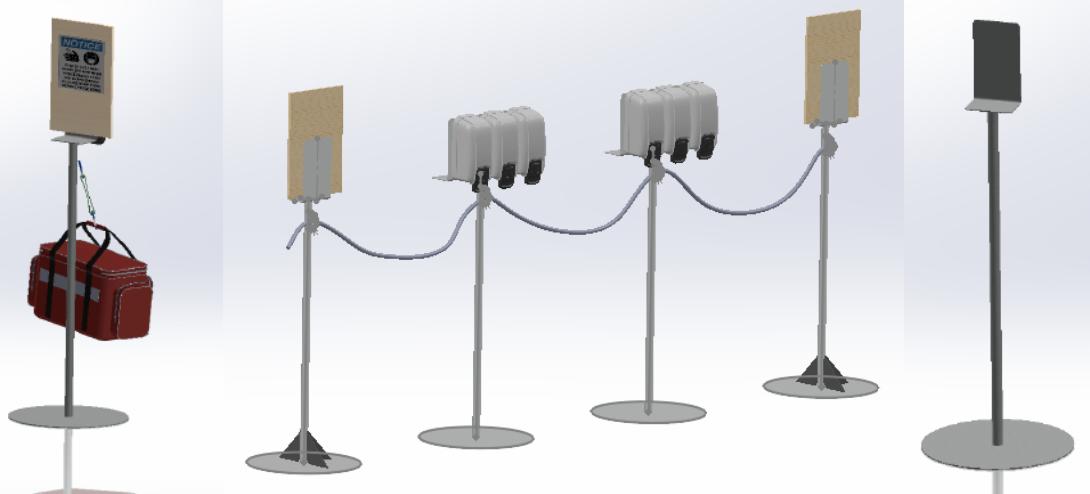

## HOLD PPE AND MEDICAL EQUIPMENT

## ORGANIZE EQUIPMENT

Our Katanacraft custom fabrication department can produce large orders as a part of our commercial manufacturing business to meet demand. Locally owned and operated in Grants Pass, Oregon our facility offers multiple bulk option custom fabrication solutions for many government, commercial and healthcare needs.

These cost effective multi-functional stands are USA made and allow government, commercial and healthcare workers to solve a variety of every day needs with a single piece of equipment. Katanacraft customized multi-function stands can hold a range of products, keep equipment organized and offer informative signage and crowd control solutions. Their strength and durability allow us to provide a strong, secure, weatherproof product customized to fit every need in a disaster relief situation.
