SPECIAL LOCAL UPDATE COVID-19 – NEW POSITIVE CASES **Joint Release from Douglas County Board of Commissioners and Douglas Public Health Network**

(Douglas County, Ore.) As of 12:00 pm, Monday March 30th, 2020, County Public Health Officer, Dr. Bob Dannenhoffer announced three new positive cases of COVID-19 in Douglas County, bringing the confirmed number of cases in Douglas County to 8. There was one new case over the weekend, these three are new as of Monday morning. The count of positive cases has been increasing since last week. A week ago, Monday March 23rd we had one positive case in Douglas County. Douglas Public Health Network has launched their epidemiology investigation related to the new cases, identifying who the individuals may have had contact with. Identifying information about the newest cases are not being released at this time. Close contacts of the confirmed cases will be notified by public health.

There are currently 8 positive cases of COVID-19, 240 negative tests, 3 hospitalizations, 0 deaths and 0 recovered from COVID-19 in Douglas County. DPHN has set new online tracking system for test results from Douglas County residents. The goal is to have the chart updated at noon every day. Residents will be able to go on the website and see the tracking of results. Again, as a reminder for patient safety, they will not be releasing any identifying information of those that had testing done, or those that have tested positive. If a case comes back positive after that time, DPHN will announce it with a press release and updating their website, until further notice. Go to the DPHN website to view the update: www.douglaspulichealthnetwork.org.
