

Report Card in Home Access Center

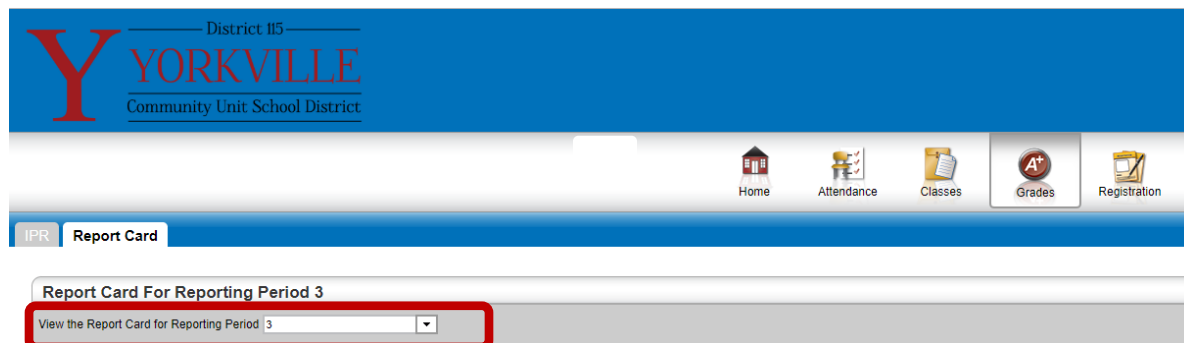

The Report Card page in [Home Access Center](#) displays your student's most recent report card.

To display the Report Card page, click  **Grades** on the HAC menu, then click the **Report Card** tab.

View previous report cards from the current school year

- To display a report card from an earlier period, select the period in the View the Report Card for Reporting Period field. This field displays only if another report card is available.

View report cards from previous school year

- Report cards for the current school year are available in Home Access Center until June 30th. Please contact your school for a copy of a previous year report card.

Print report cards

- To print or save a copy of the student's report card, click **Print**. This will bring up a .PDF copy of the report card in a separate window.
