
Saints' Alive

June 2018

Thus the heavens and the earth were finished, and all their multitude. And on the seventh day God finished the work that he had done, and he rested on the seventh day from all the work that he had done. So God blessed the seventh day and hallowed it, because on it God rested from all the work that he had done in creation. Genesis 2:1-3

There is an old school of thought among Episcopal clergy that says, “Episcopalians are the only ones God trusts to take the summer off because God knows they will be back in the fall when school starts up.” There are two things you that can always count on when it comes to Episcopalians. First, we love our coffee after church like it is the eighth sacrament. Second, we also love our summer vacations because it is our precious sabbath time. Even God took a much needed break after the creation of the world. Scripture tells us when it was all finished, and that God saw that all that was created was good; God rested on the seventh day.

Of course we’ve also heard it said, “All work and no play makes for a dull person.” Rest and play are needed components for a full and happy life. Therefore, making space for rest and play should be part of our spiritual lives.

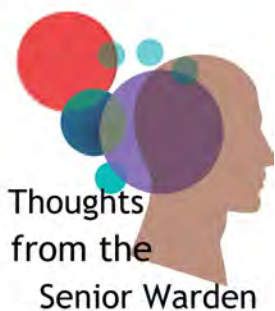

Pentecost Sunday traditionally marks the end of Eastertide. For many it also marks the beginning of summer as it often coincides with the end of the school year. Having taught high school for two years, I understand completely the need for some serious sabbath time to rest and recharge one’s batteries at the end of the year. Just like the body craves sleep at the end of the day, so are our daily routines in need of a break to allow room for refreshment, healing, forgiveness, and new spiritual growth.

I know that many of you will be traveling this summer to the beach or the mountains to visit family or dear friends. For some of you a period of sabbath time is much needed and welcomed at the end of the school year. Enjoy your sabbath time to the fullest.

Note that supporting your sabbath time does not give you a pass on attending church this summer. Visit another parish during your travels. Attend the church of your childhood if the opportunity presents itself. Bring back to me a worship bulletin from where you attended church. I love to see what other churches are doing. It also gives me comfort to know during your sabbath time that you are still connected to God.

God’s Peace, Mark+

Wow! What a month May has been!

First of all, did anyone besides me notice that we jumped from Spring to summer in a matter of about three weeks? But we had a beautiful weekend for Barbeque and a successful one it was. Thanks to the multitude of individuals that it takes to make a successful Barbeque. Then we had the church grounds clean up and the beginning of planting. Another example of dedicated people working to make All Saint' a great church of which to be a member. Then there was the sea of red in attendance for Pentecost Sunday in a beautifully decorated church with the baptism of Owen. What a great service. Oh, and the delicious reception/luncheon afterward was great also. Again, a group of dedicated individuals doing their best work for All Saints'. I see more and more of our folks abiding in Christ and growing together, More great things to come.....

Bill Mitrik, Senior Warden

We should have new folding tables for the Parish Hall later this month. Thanks go out to Jack Yates, George Giles, and Bill Mitrik for getting this accomplished. Also, our heartfelt thanks to everyone who sponsored tables.

We had the widow maker in the tree at the playground removed and several of the large limbs trimmed reducing the weight and hopefully eliminating future hazards. Limbs were also trimmed that were overhanging the parking lot and Randall Shelton's office.

We had a successful start last Saturday to our plant swap and planting of the beds. We want to tank Barbara Garrett, Wanda Kirby, Cookie Larkin, Bill Mitrik and Alice Westmoreland for organizing and planning and planting. We especially send thanks out to Lynne Ann Anderson, Janice Dixon, George & Lena Giles, Nancy Jernigan, Blue McGowan, Glen & Barbara Thompson also for helping with the weeding, digging, planting and spreading pine needles. We also want to thank Wanda Kirby for preparing a very tasty lunch for the workers.

We are not finished with the planting however and need able body diggers and planters to finish this coming week. We especially need workers that can dig with a shovel as several of the beds still need the soil turned over and loosened. Anyone interested in helping please contact Bob Harmon at btharmon10@charter.net or text at 423-258-1826. Depending on the feedback I receive will determine what evenings we plan to work. We will plan on working from 6:30 to 8:30 on those evenings.

I want to also send a special thanks and gratitude to George Giles for painting the lines in the parking lots. Notice the three new handicap spaces and be remindful of those who depend on those spaces.

Peace +, Bob Harmon, Junior Warden

The loose offering on the 2nd Sunday of the month is designated for Outreach. Below are the groups/organizations who will receive those monies for the remainder of 2018.

June's loose offering will go the Boy Scout Troop 197 – they are needed funds to send scouts to summer camp. Cost per scout is \$275.00.

July's loose offering goes for Camp Billy Johnson scholarships.

August goes to All Saints Episcopal School

September – Oasis Ministries

October – MATS

November – CASA

December – BINGO

All organizations are encouraged to set up a table in the parish hall the Sunday of the loose offering.

ALPS walk – Jim Fuhr will be organizing the All Saints' team for the "Walk to Remember". The "Walk to Remember" is an annual fund raiser for ALPS and will be on July 27th.

A \$150.00 donation to the families affected by the Southern Provincial raid was approved by the Outreach Committee.

Goal for the year was discussed and all agreed to continue reaching out into the community and providing support as we see it is needed.

Food on Foot bagging will be on June 6th and 20th during the Agape meal and the distribution will be at FOF Saturday June 23rd. There will be a need for transportation help with children going to summer camp. There are three different camps so the exact need has yet to be defined but that will be resolved once the number of children going on a specific date is known. A sign- up sheet will be set up in the parish hall. The estimation is 25 children going to camp.

Outreach will be providing the meal for the Agape dinner on June 6th and the speaker will be from Boy Scout Troop 197. Henry Selby, John Hutchins and Doc Rooney have done a great job in starting this Troop and keeping it going. Please keep them in mind on June 10th as they will receive the loose offering that Sunday. And come hear how they are doing on June 6th.

BINGO – if we could clone Marylou we would franchise it. It just keeps rolling along and thank you Marylou for being the driving force behind it and the parishioners who show up and assist. Please donate gifts or come to All Saints' June 13th and take part in this growing ministry. A new record was set in May as seventy persons came and ate BBQ and played Bingo. Please support this effort by coming and helping out on the 13th or donate some prizes.

DOC'S SCOUT NEWS

Thank you Parish Family for the outpouring of financial support during our Outreach Sunday Loose Change Offering which was greatly needed for the scouts that could not afford our up coming week at summer scout camp. We were also blessed to have a parish member make offer to buy us our very much needed camping trailer. June's second Sunday loose change will also be for our Doc's Troop 197 to help our scouts in all their up coming activities.

Our scouts in May had a wonderful time at Spring Camporee. They cooked all their own meals and earned Wilderness Survival, American Heritage and Fish and Wildlife Management merit badges.

The Administration Committee has made progress on various objectives!

Committee members Diane Baker, Cindy Selby, and Wayne Stambaugh continue to develop a form to be used for Building Use. This will be presented to the Administration Committee for review and discussion at the next meeting scheduled on June 5.

The updated Vestry Organization Chart developed by the Administration Committee was submitted to the Vestry at the May 10th meeting and approved.

Susan Fuhr, Vestry Liaison

Adult Formation is focusing its energies on Wednesdays! Throughout the summer our practice of having a meal and a program will continue. Dinner is at 5:30 (with the filling of Food on Foot bags twice monthly) and the program follows. In the meantime, Linda Haas, chair of this committee, is seeking input from parishioners regarding what kind of programs you would like to see on Wednesdays AND on Sunday mornings when the program year begins anew next September. Also, stay tuned for a very exciting bit of planning: the committee is looking to have a picnic supper at the overlook (Smallman Shelter) at Panther Creek sometime during the summer. Again, please contact Linda Haas or vestry liaison Henry Selby with any ideas you have.
