

# Saints' Alive

January 2019

The Season of Christmas runs from December 25th through January 5th. Hence the 12 days of Christmas are marked with all such fare including: Seven Swans a Swimming, Five Golden Rings, and a Partridge in a Pear Tree. I have to admit it is one of my least favorite Christmas Carols. I think it is the repetitive nature of the carol that I find particularly obnoxious and thus it wears me down.

I haven't given it much thought before but during the Twelve Days of Christmas there are several feast days that the Christian Church marks. A number of them are quite heavy and vary sad. For instance, on the 26th, is the Feast of St Stephen, Deacon and Martyr. You remember good King Wenceslas. Everyone sings with gusto the first two lines: Good King Wenceslas looked out, On the Feast of Stephen. Then from that point on people just mumble and fake the words they can't remember. St. Stephen has been recognized by the Church as the first official martyr for the Christian fai. As I said, it's a bit heavy.

Just two days later, on the 28th, the Church remembers the slaughter of the Holy Innocents. Trust me when I tell you that when that feast day falls on the Sunday after Christmas, preaching on the Holy Innocents is not an easy task to undertake. How to you preach about the Herod's slaughter of so many male babies while Joseph, Mary and Jesus, escape to Egypt.

On some level, I have to wonder why those Twelve Days of Christmas had to include such tragedies. Why must such suffering be so near to the Nativity of our Lord? Then I remind myself that Jesus was both fully human and fully divine. Jesus shares in our human condition. Certainly Jesus was not oblivious to the suffering of others, even the very innocent. Neither should we.

Somewhere after the Partridge in a Pear Tree and Twelve Drummers Drumming, the Light of Epiphany is waiting for us. So after all the decorations have been taken down and put away until next year, after all the sweets have been consumed and the leftovers thrown away, allow the Light of Christ to illumine your life. Take care of yourself and while you are at it allow the Light to help you see others who might be hurting inside from the normal trials that happen during the Twelve Days of Christmas.

God's Peace, Mark+

**MARTIE ANDERSON****1. What brought you to all saints?**

Years ago, we were looking for a church home and at the same time my children started attending ALL Saints pre -school. As we met many of the parishioners and our children made friends here, we became drawn to this parish as our own church. The most influential factor in drawing me to this Parish was finding people of like mind. We had tried several other churches and I was drawn to the open mindedness and accepting spirit of this church, welcoming diversity and always willing to agree to disagree. I have since learned that is a most loveable characteristic of Episcopalians, the ability to love one another even as we may all have a different opinion.

**2. How have you participated in ALL Saints?**

Over the years I have taught Sunday school, been on the vestry once, organized Rally Day for years, worked the BBQ tent most BBQs, and currently have been a choir member for 3 years. Also, I did complete the Education for Ministry four-year study offered by Sewanee University and this church and have been a lay Eucharistic minister.

**3. What influenced your decision to accept a nomination to the ALL Saints Vestry?**

I am at a place in my life where I am working less, children are grown, and I felt this is a good time in my life to give back.

**4. How do you think you will positively impact All Saints Mission to love, proclaim, learn and minister?**

I feel I work to possess an accepting, tolerate, positive attitude, am not quick to anger and I am willing to listen to all sides before making a decision. Also, when I commit I do not do so lightly, I will show up and work hard. I also am a constant seeker of spiritual knowledge and love to interact with others seeking Spiritual truth.

**5. In a brief statement what would you like the congregation to know about you?**

I have been a member of the church over 15 years, worked as a nurse practitioner over 25 years and continue to work at the Helping Hands Clinic here in Morristown which is our community FREE clinic for the uninsured. I love to serve the under-served and feel that has been my calling in life as well as being a mother. My 3 grown children were members of this church and received invaluable experiences attending Camp Gailor Maxon as youths and later Grace Point after it became available. I have a passion to help young people find their spiritual path.

**DIANE BAKER****1. What brought you to All Saints'?**

My husband and I moved from Indiana to Bean Station in 2016, when I retired from my job as Executive Director of a large non-profit organization. During our 2+ year search for the "perfect" home on a lake, I was also committed to finding the "perfect" church home. We attended services several times during our house-hunting excursions and were overwhelmed by the warm welcome we received as visitors.

**2. How have you participated at All Saints'?**

I have participated as a member of the Administration Committee for almost 2 years and recently joined the Outreach Committee. My husband and I regularly volunteer for Bingo and we also assist the All Saints' group who volunteers at the Daily Bread every other month. We have also helped out with the BBQ.

[CONTINUED ON PAGE 3]

[Baker cont'd]

3. What influenced your decision to accept a nomination to the All Saints' Vestry?

Serving on the Administration Committee helped me to learn about the structure and governance of the church organization. This was important to me as I know that it is the by-laws and policies of an organization that provides the foundation and infrastructure that allows the mission to be accomplished.

Also, the people I have met since coming to All Saints. The love, acceptance, and commitment that my husband and I experience here is beyond anything I have ever felt in any other church I have attended. All Saints is an unexpected gift in our lives and inspires me to want to serve the church, in gratitude for what we have received.

4. How do you think you will positively impact All Saints' Mission to love, proclaim, learn and minister?

My hope is that I will be able to contribute by utilizing the personal and leadership skills I have developed over the past 40 years in my professional life working with and for at-risk families and children. I have served on many boards and advisory groups in various capacities and believe that experience will be an additional asset. I believe that it is a privilege to serve on the vestry and I am flattered and humbled to be asked to serve in this capacity.

5. In a brief statement what would you like the congregation to know about you?

I was raised Lutheran and became an Episcopalian in 1985. My husband David and I have 4 children and 6 grandchildren. I have a B.S. degree from the University of Delaware and an M.S. degree from Indiana State University in Preschool Administration.

A portrait photograph of Bill Connellee, a man with a mustache and short hair, wearing a blue shirt, smiling at the camera.  
BILL CONNELLEE1. What brought you to All Saints'?

Robin and I moved to Morristown nearly seven years ago. As I was born into the Episcopal church and she is from an evangelical background, we tried different churches to try to find one which accommodated both of us. I had come sporadically to All Saints' by myself, with Corrina and on occasion with Robin. After her nearly-fatal experience in 2014 we vowed that when she was well enough to get out, we were going to find a church. After a short time we began attending All Saints' regularly a few years ago and knew we had found our family church.

2. How have you participated at All Saints'?

I am an usher and have a mens' breakfast team (January 2019 next) and I participate in ECW Bingo, Stewardship Committee, 10:30 hospitality with Robin, BBQ (of course), Daily Bread team, Food on Foot, Youth Advisory Board, Easter Egg hunt for MHA, Vacation Bible School, All Saints' Episcopal School Board of Trustees, and monthly ASES hot dog Monday.

3. What influenced your decision to accept a nomination to the All Saints' Vestry?

All Saints' vestry must have a member who is also a member of the All Saints' Episcopal School Board of Trustees and although I have been loath to accept more ASEC duties, I can fill the role which Sam Neill has so aptly performed for the past few years as a member of the Vestry.

4. How do you think you will positively impact All Saints' Mission to love, proclaim, learn and minister?

I would hope that I already have and will continue to do so.

[Connellee cont'd.]

**5. In a brief statement what would you like the congregation to know about you?**

Most people who come to the 10:30 service know me fairly well and many in the 8:00 group likely have interacted with me during many church functions. I welcome any who wishes to discuss anything with me to let me know – I'm not shy and always enjoy conversation.

CAROLYN DEAN

**1. What brought to All Saints'?**

My husband and I moved to Morristown from the Corpus Christi, TX area at the end of 1984. My parents, Richard and Sheila Rice, were already living here and attending All Saints' since 1981, so being a cradle Episcopalian, I naturally attended church with them. My previous churches where I was a member were: Christ Church, Palmyra, NJ where I was their first female acolyte in 1974, inspired by the Philadelphia Eleven; St. Michael's, Oakfield, NY where my husband and I were married; Church of Our Savior, Aransas Pass, TX.

**2. How have you participated in All Saints'?**

Past: Sunday School Teacher, Gifts & Talents Workshop, Chaperone Province IV Youth Retreat, ASDS Board Member, Acolyte, Acolyte Master, Diocesan Convention Delegate, Foyer, Lay Eucharistic Visitor, Vestry—one term, Disciples of Christ in Community (DOCC), Education For Ministry (EFM)—year one, Choir Pilgrimage to National Cathedral, Rector Search Committee, Choir, Altar Guild Co-Leader

Present: Altar Guild, Lector, Chalice Bearer/Intercessor, ECW, BBQ, Evangelism Committee: Webmaster, Graphics.

**3. What influenced your decision to accept a nomination to the All Saints' vestry?**

After a series of sermons I wanted to “step up and do more, even if it means being outside my comfort zone.” This was in my heart when I was asked to consider nomination, so it seemed like an obvious YES. Also, the guiding principle of “money follows mission” makes absolute sense to me.

**4. How do you think you will positively impact All Saints' mission to love, proclaim, learn and minister!**

I work hard and best in “behind the scenes” type support roles and would be glad to be a member of the vestry to help support our many ministries, old and new. I could only hope that through God’s grace it would turn out to be a positive impact for our mission.

**5. In a brief statement what would you like the congregation to know about you?**

I am the proud mother of two grown children, Sarah Grace and Erica, who grew up at All Saints' and now live in Knoxville, and the proud daughter of Richard and Sheila Rice. Jerry (aka Ben) Dean and I have been married for almost 40 years. He is a maintenance electrician for Ober Gatlinburg and an avid outdoor sportsman. I have a Bachelor of Fine Arts degree from Corpus Christi State University. After starting my graphic design career at TVA, I have now been running my own graphic design business, Rice Dean Graphics, for 30 years and counting. I enjoy genealogy research, art history, painting, and photography. When my family vacations, we tent camp, hike, fish, and canoe.

HAPPY NEW YEAR!! I hope all of you have blessed new year. Another year is behind us and a great new year is upon us.

As a reminder, we will be holding our annual meeting on Sunday, January 20, between the two services. Your attendance is needed as will vote on the new Vestry candidates that will serve for the next three years.

2017 was a very good year for our church. Attendance is up, the baptisms and confirmations/receptions on All Saints' Sunday were a pure joy. The physical plant is in better shape through the hard work of Bob Harmon, the grounds are in better shape through the hard work of the Happy Hoers and many other volunteers that keep the shrubs and plants trimmed. I lose track of all of the successes of our Outreach programs. December Bingo reached and fed 106 people plus the Bingo elves. I don't keep score on Bingo, but that might have been an attendance record.

As I write this, the Stewardship Campaign for 2019 is in good shape. Hopefully the next few Sundays will bring in more pledges and we can enjoy another great year.

Bill Mitrik, Sr. Warden

The number of people attending December Bingo was 108, plus 29 parishioners. One thing that is becoming apparent is that we need a better sound system in the parish hall. But this is a good thing as Bingo has grown. Remember the first Bingo three years ago ... we had twenty five people. So Bingo will be on January 9<sup>th</sup> and stay tuned as Marylou and Bill Connellee will let us know what is needed.

Food on Food bags will be filled on January 9<sup>th</sup> and 23<sup>rd</sup>. Distribution will be on the fourth Saturday and that is January 26<sup>th</sup>. The pajama drive went well! Thank you Ginger for handling the transfers to FOF.

Central Services Advent food drive was a success thanks to you the parishioners. Also, the extra donations collected for them will help them with their 2019 budget.

Christmas greeting cards for the Woolseys have been sent. There even were some cards just for the children.

Loose offering recipients for the first quarter of 2019 are: January – Helping Hands Clinic, February – Serenity House and March - Noah's Arc.

Outreach will be providing the dinner for the Agape meal on January 9<sup>th</sup>. Helping Hands Clinic will be the recipient of the loose offering on Sunday January 13<sup>th</sup>. -Larry McGowan

Our current enrollment is 119, 3 new students in last month, up 25% from 17-18  
4 new students looking to enroll in January

## ADULT EDUCATION

Easter comes very late this year. How does that happen? Who decides on the date of Easter? And why am I talking about Easter right here at the end of the Christmas season?

An awareness of the change of liturgical seasons is a fundamental part of the Episcopal Church. Not only are the colors of altar hangings and vestments a clue, but the lessons, sermons, and music (among other things) shift to bring new ideas to our minds. Even though we move through these seasons, we are always an "Easter People." Without the resurrection, our faith makes little sense. Our new year began with Advent, we are now moving into Epiphany, and we'll get ready for the penitential season of Lent with our annual Mardi Gras festivities on March 5. Easter will be April 21, almost as late as possible in the lunisolar calendar which determines the date!

The Adult Education Committee is eager to assist the parish as we follow the mission to "... love, worship, proclaim, learn, and minister." The seasons of the church year are amazingly helpful ways to deepen our faith and to put that faith into action.

### All Saints' Card Ministry

The card ministry is part of Parish Life. We send cards to members for birthdays and anniversaries. We also try to send cards if members are on the prayer list or have suffered a loss of a loved one.

I started doing this as part of my own ministry since I live so far away from the church that I find it difficult to attend during the week. Now I have others who are helping for which I am grateful! We would like to extend this ministry to others on our prayer list and to our military and first responders but we need to have addresses.

The card ministry does not ask for any money from the church but we are open to donations. To that end, I have placed a donation box in the Parish Hall. We can use cards and postage. The cards most needed are birthday, anniversary and blanks. We also use get well, thinking of you, and sympathy cards. Thank you very much.

A huge Thank You to Jamia Blazer and Dillon Wines for the fabulous decoration of our Sanctuary and Chapel this Christmas.

Please take time to tell them both of your appreciation for their valiant efforts and beautiful work.

**Altar & Chapel Flowers**

The 2019 Flower Chart is in the Parish Hall. Placing flowers on our altar and in our chapel in thanksgiving, in memory or in honor of people you love adds beauty to our worship services.

We helped at Central Services during their Christmas family gift bag packing and finished up our popcorn sales.
