

Junior College/Trade School Scholarship Program

WTS fosters the development of women in the transportation industry by encouraging bright new professionals to undertake careers in the area of transportation. One way it does this is by awarding community, technical, or trade college scholarships to women pursuing transportation-related study at community and trade colleges.

The Undergraduate Scholarship minimum criteria for selection are as follows:

- a. Open to women
- b. GPA of 3.0 or higher
- c. Currently enrolled in a degree program in a transportation-related field at a community or trade college
- d. Plans to pursue a career in a transportation-related field

The scholarships are competitive and based on the applicant's specific transportation study goals, academic records and transportation-related activities or job skills. Minority candidates are encouraged to apply.

Please return the completed application form and required documents to:
