# NJCCIC

**T**he New Jersey Cybersecurity & Communications Integration Cell is the state's one-stop shop for cybersecurity information sharing, threat intelligence, and incident reporting. The NJCCIC works to make New Jersey more resilient to cyber attacks by promoting awareness of cyber threats and encouraging the widespread adoption of best practices.

### NJCCIC SERVICES

As citizens, businesses, schools, and government agencies continue to expand their online footprints, they are more exposed to cyberattacks. The NJCCIC provides a wide array of cybersecurity services, including the development and distribution of cyber threat intelligence products, alerts, and advisories, as well as cyber tips and best practices for effectively managing cyber risk. Other NJCCIC services include:

- THREAT BRIEFINGS
- AWARENESS PRESENTATIONS
- TRAINING
- RISK ASSESSMENTS
- INCIDENT RESPONSE SUPPORT
- CYBER ALERTS

### INCIDENT REPORTING

The NJCCIC partners with the New Jersey State Police Cyber Crimes Unit, the Federal Bureau of Investigation, and the US Department of Homeland Security to assist victims in responding to and recovering from cybersecurity incidents, and to prevent future attacks. We encourage all New Jersey citizens and organizations to report the following incidents:

- DATA BREACHES
- WEBSITE DEFAACEMENTS
- MALWARE
- DENIAL OF SERVICE
- UNAUTHORIZED ACCESS
- PHISHING
- ONLINE EXTORTION
- CREDENTIAL COMPROMISE
- RANSOMWARE
