### (U) SIGNIFICANT REPORTING

(U//FOUO) The FBI, in close coordination with its federal, state, and local partners, continues to monitor and respond to events related to the violence associated with lawful protests. While reports, to include open source reporting and social media postings, suggest individuals involved in or present at locations of lawful protests are part of an organized effort associated with anti-government-anti-authority extremism, militia extremism, racially or ethnically motivated violent extremism, or violent gangs, the majority of the violence and vandalism appears to be perpetrated by opportunistic, individual actors acting without specific direction. We continue to aggressively seek to corroborate any organized effort to incite violence by either known criminal groups or domestic violent extremists.

(U//FOUO) A public memorial service for George Floyd was held in Minneapolis on 4 June and a second public service was held in Raeford, NC on 6 June. On 6 June at 2140 local time, George Floyd's body arrived in Houston, TX via a Delta Airlines charter flight from Fayetteville, NC. A family service is scheduled for 7 June in Houston, followed by a public viewing on 8 June. Funeral services for George Floyd are scheduled for 9 June in Pearland, TX.

(U//LES) On 6 June, a Santa Cruz County Sheriff's Office Sergeant was killed while investigating a vehicle suspected of containing guns and bomb-making devices. The subject is now in custody. FBI SF SABTs cleared the detonated IEDs. FBI SF SWAT and SABTs will secure and clear the subject's residence prior to a 0700 PDT 7 June search by Santa Cruz County Sheriff's Office. FBI LA ERT is deploying to assist in processing the scene.
