

November 2021

Dear Friends

We're planning a winter of welcome here at Hyannis Public Library, and **you're the key to our success!**

Together, we're welcoming our energetic **new Youth Services Librarian**, Kelly Depin, to bring laughter and our little ones back to the Children's Room. We're welcoming our patrons and visitors to **sit and stay a while** in our reimagined "living room in the stacks." And we're welcoming everyone to enjoy the new collection titles, new programs and new initiatives HPL will be offering in the coming year, all because of **incredible supporters like you**.

Your generosity allowed us to do some **amazing** things this year for our vibrant and diverse community:

- Offer a combination of outdoor and virtual programs, performances and discussion groups, including bilingual events—something to suit everyone.
- Keep our convenient lobby and curbside pickup as well in-Library browsing and checkout.
- Provide free computer access, 24/7 Wi-Fi and low-cost printing and copying services.
- Expand our online resources with new tutoring, employment and cultural databases.
- Develop our collection of bilingual and foreign language titles for our multicultural patrons.
- Give a new free book to children who sign up for their first Hyannis Public Library card.
- Participate in community events like Unity Day and Hyannis Open Streets to introduce and connect our families and neighbors to all our great resources (and free books, of course!).

Next year promises to be even better, with plans for an Outdoor Play Oasis in partnership with the Cape Cod Toy Library, new family engagement programs and even more collaborations with the community. **But, we need your help to make promises come true.**

Hyannis Public Library is an independent, non-profit organization, not a municipal library. The operating support we receive from the Town of Barnstable allows us to offer basic service and keep the lights on. We cannot, however, meet the needs of an urban community of 15,000—especially one as diverse as Hyannis—on our share of municipal funds. This is especially true when we're still building back up following last year's cut in Town funding.

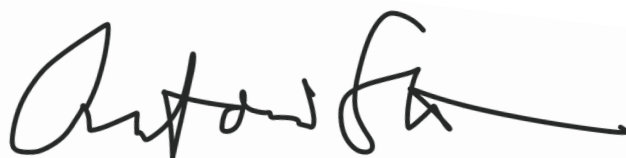

So we invite you to help us widen our welcome by **giving your year-end support** to Hyannis Public Library. **Our current goal is \$10,000**; your gift of any size will get us right where we need to be to deliver the best library service to our community.

Thank you so much in advance for your kind support. May you have a warm and welcoming winter!

Sincerely,

Amanda Converse - President, Board of Trustees

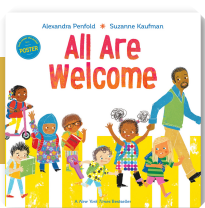

Antonia Stephens - Library Director
