Race for Community Wellness

The 5th Annual Race for Community Wellness celebrates A Just Harvest's commitment to restoring community in Rogers Park and Chicago.

The "Friendly 5K" invites strollers, walkers, and runners of all types to a beautiful lakeside course.

Participants not running the 5K are still invited to take 5 weeks to accomplish any wellness goal they set. Walking, biking, cooking, jazzercise, meditation, or any other goal that brings you closer to wellness for yourself and your community.

All proceeds benefit A Just Harvest, a 501(c)3 serving the Chicago metropolitan area since 1988.

A Just Harvest

A Just Harvest runs the longest standing, independently supported Community Kitchen in Chicagoland. Open since 1983 and consecutively since 1990 (10,000+ straight nights), A Just Harvest has served 1.7 million meals at the hands of tens of

thousands of volunteers. A Just Harvest fights hunger in the short and long term through community and economic development and organizing for social and economic justice.
