

New Faculty Introduction

Q&A Interview

With Mary Kate Miller, PsyD

Health Psychologist

Adult Consultation Liaison Service

1. What are your hobbies?

My hobbies include line dancing, exercising, and baking.

2. What are your professional interests?

In addition to clinical work, I enjoy supervising and teaching medical students, residents, and psychology practicum students.

3. Why did you choose to work at UMass?

I chose UMass because this is a unique health psychologist position. In addition, I am excited to work in an academic medical center and to grow the CL service.
