Date: 8/6/2025

To: Madera County School Districts, Principals, and Educators

From: Madera County Farm Bureau

Subject: Invitation to Participate – 2026 MCFB Agriculture Art Calendar Competition

Dear Educators,

The Madera County Farm Bureau is excited to announce our call for student artwork to be featured in the **2026 Madera County Farm Bureau Fundraiser Calendar**. We invite students from all grade levels—elementary through high school—to submit original artwork that celebrates **local agriculture in Madera County**.

This is a wonderful opportunity for students to learn more about the importance of agriculture in our community, express their creativity, and be recognized for their talents. Artwork can depict any scene representing Madera County agriculture—whether it be crops, livestock, farm life, ag workers, or rural landscapes unique to our region.

Selected winners will be:

- Featured in the 2026 MCFB Fundraiser Calendar
- Student whose work is chosen for the cover will receive \$100, and those chosen for each month's top page will receive \$25
- Honored with a recognition ceremony during **National Ag Week in March 2026**
- Have their art displayed in the Madera County Farm Bureau Office throughout the year

We hope you will share this opportunity with your students and encourage participation. This project helps connect youth to the agricultural roots of our county while providing a platform for artistic expression and community involvement.

Submission guidelines, deadline, and entry form are attached. We encourage teachers to begin introducing the theme of Madera agriculture to their classrooms and inspiring students to start creating.

Thank you for your continued support of agricultural education. We look forward to seeing the creativity and talent of Madera County students brought to life through this exciting initiative.

Sincerely,

Anne Deniz
