

BISHOP CANEVIN HIGH SCHOOL

2700 Morange Road | Pittsburgh, PA 15205

January 27, 2020

Dear Families,

During Catholic Schools Week we would like to take the opportunity to thank you for your family's investment in Catholic education. Families who choose Catholic education understand the sacrifices but also appreciate the many benefits of a faith-based education. For making that decision you deserve recognition not only this week, but continually!

Catholic Schools Week at Bishop Canevin is more meaningful this year. We are celebrating our 60th anniversary and continue to live our mission of providing a Jesuit inspired education to our future leaders that is steeped in the ideals of honor, integrity, respect, and responsibility. A challenging academic program, a mission focusing on Cura Personalis or care of the whole person, and a diverse student body that understands the importance of service to others continue to be hallmarks of the community.

Bishop Canevin is a community that is proud of its past, excited about its future, and thriving in its present. We are in the process of a campus wide initiative to upgrade facilities in order to provide our students with the 21st century educational spaces they deserve. Since the start of the current school year the school has taken on many transformations. The addition of two model classrooms will become the Bishop Canevin standard. The debut of the state-of-the-art Nick Sinagra Innovation Center will continue to enhance our school's many STEM offerings. The opening of the Reed Family Broadcast Studio will assist in sharing with the community the many accolades and achievements of our talented student body. Next year the opening of the Michael Maloney Fitness Center and accompanying Wellness Café will provide both our Physical Education classes and Crusader Athletics with the type of environment that will help our teams and athletes perform to their very best while enhancing the wellness of the entire student body.

Bishop Canevin is a community that is well positioned for the future and is committed to being the viable option to any family that wants to continue benefiting from a Catholic education at the secondary level. Through improved advancement efforts, Bishop Canevin has increased its tuition assistance by 82% since the beginning of the 2018-2019 school year. This year \$560,000 was awarded to over 60% of our families which reflects our commitment to making a Bishop Canevin education possible for all families who value Catholic education.

We encourage you to take a few minutes to listen and to learn about our school, which was recently featured on the Catholic Education Plus Radio Program. The coverage can be found at the following link:

<https://kdkaradio.radio.com/media/audio-channel/catholic-education-plus-18>

To experience firsthand the environment that our community is so proud of, Bishop Canevin is hosting its Showcase on Wednesday, February 5th from 6:30-8:45pm, with doors opening at 6 pm. If you cannot be with us on that evening, please call us at 412-922-7400 x. 220 to arrange a personal overview and tour.

Again, thank you for your commitment to Catholic education. We hope to be able to show you how Bishop Canevin can sustain and thrive at the secondary level.

Sincerely,

Michael Joyce

Principal
