

BISHOP CANEVIN’S BLUE & SILVER BALL

Dear Supporters of Bishop Canevin,

Thank you for supporting Bishop Canevin’s Blue & Silver Ball, celebrated on May 9th, 2026, in honor of the establishment of our school in 1959. This magical night will celebrate Crusader excellence across all eras. The event will feature a silent auction, games of chance, delicious food and drink, dancing, and most importantly - the announcement of our 2026 Ring of Honor recipients.

All funds raised will support our Bishop Canevin fund, which supports all student programs, academic materials, alumni engagement, campus enhancements, and more!

Your Donation is greatly appreciated to forward the Bishop Canevin Mission.

With sincere appreciation,

Sara Barbisch
Director of Alumni, Donor, and Parent Relations

Bishop Canevin High School, a Catholic, college preparatory school dedicated to the education of young men and women in the Diocese of Pittsburgh, prepares students for a life anchored in Faith, a life enlightened by Learning, and a life committed to the promotion of Charity and Justice. Through a holistic educational approach that is intellectually challenging, rooted in the Gospel of Jesus Christ and aligned with the principles of Ignatian spirituality, the school challenges students to life-long learning and growth in a spirit of “competence, conscience and compassion” as young men and women in service of others.
