

## MEMBER BENEFITS

### **Training & Workforce Development**

We offer a range of training & workforce development courses designed to help our region's manufacturers compete on a global scale.

### **Apprenticeships**

We provide apprenticeship courses to help meet the needs of local businesses to train and develop skilled workers and to maintain a high quality workforce & improve trade skills.

### **Networking & Events**

Networking & educational events are held all year long. Events include the Wake-up to Mfg. Series, mixers, half day forums, the annual event & manufacturers expo.

### **HR Consulting & Surveys and Talent Management**

We help members find quality talent and provide HR support, compliance & resources. HR training programs, onboarding and annual HR surveys.

### **Group 401k Program**

The 401k MEAP plan (Multi Employer Aggregation Program), in partnership with Langan Financial, could reduce costs & raise value on your 401k plan all while spending less to get more without the admin work.

### **Group Health Insurance**

The EHIP Health Plan offers savings on group health, dental, and vision plans. With partner, AmWins Connect Insurance, this program offers benefit plans that are specifically designed to bring value to manufacturers
