Adopt Mount Rest Cemetery

I would like to help with the Professional Preservation and Restoration of the Headstones at Mount Rest Cemetery in Newport Township, Lake County Illinois by "Adopting" the cemetery for a \$50.00 donation.

We will be restoring 79 stones in the spring of 2021 that have been identified by the preservationist that require restoration. 53 of the stones are considered PRIORITY.

With your help we can preserve these stones before time erases the names of the early settlers of Newport Township.

All donations are tax deductible.
