

Raritan Valley Habitat for Humanity

Employee/Volunteer Self-Declaration COVID-19 Questionnaire

The safety of our employees, volunteers, and visitors remain a priority for Raritan Valley Habitat for Humanity. As the COVID-19 crisis continues to evolve RVHFH is monitoring the situation closely and will periodically update the guidance and procedures based on the current recommendations from the local government, Centers for Disease Control, and OSHA.

To prevent the spread of COVID-19 and reduce the potential risk of exposure, we are asking employees, and volunteers to complete this simple screening questionnaire. Your participation is important to help us take precautionary measures to protect you and everyone you work with.
