LORD, SAVE ME!

Dear Parishioners and Friends in Christ,

In Matthew's gospel (14:22-33) this Sunday, Jesus comes walking on the sea during the fourth watch of the night, which is to say the darkest time of the night. This is meant to be an affirmation of Jesus' divinity, His power over nature.

Naturally, His disciples are terrified when they see Him. Jesus says to them: "Take courage, it is I; do not be afraid." So, Peter looks to Jesus and says "command me to come to you on the water." That is, share your divine power with me. So looking at Jesus, Peter got out of the boat and actually began to walk on the water toward Jesus.

Peter apparently wasn't afraid to leave the boat. It's only when the winds began to blow that he panicked and *he became frightened; and, beginning to sink, he cried out, "Lord, save me!" And immediately Jesus stretched out His hand and caught Peter.*

This is our cry when things are overwhelming and uncertain: "Lord, save me!" Most of our fears are grounded in the unfamiliar, the unknown. For us too, *when the storms of life confront us, we become frightened.*

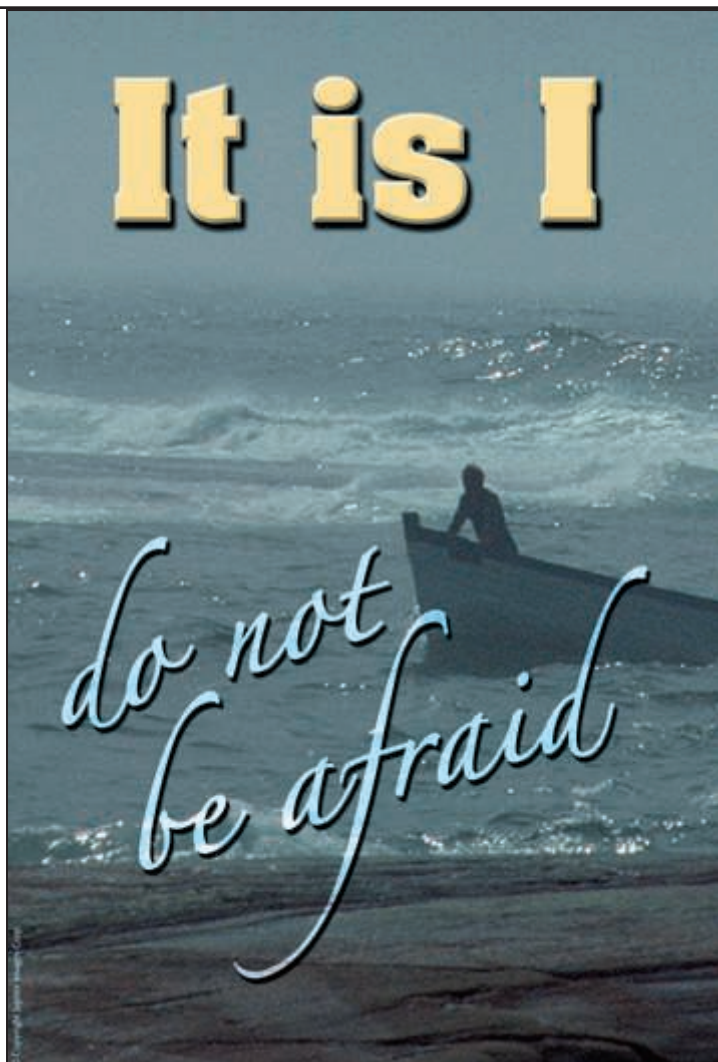

We become unsure of God's grace, power and presence. We take our eyes off of Jesus and begin to sink.

Jesus is always nearby with outstretched hands to pull us up from our fears, doubts and troubles. Let us keep our eyes fixed on Jesus and then share in the mystery of His divine power in our lives.

In the Lord of Hope,

Fr. Jerome T. Karcher

DOMINGO DEL CENSO

En estos momentos cuando las tormentas se desatan a nuestro alrededor y nos sentimos constantemente sacudidos, como Elías escuchamos ese pequeño susurro, buscamos y confiamos en Jesús para la calma en medio de la tormenta.

Aunque hay muchas cosas que no podemos controlar, hay algunas cosas que podemos hacer en este momento. Un ejemplo práctico es completar el Censo 2020. Gran parte de la respuesta de la comunidad local a las crisis (como la actual pandemia de coronavirus), incluidos los recursos disponibles para responder, ya sea atención médica, escuelas, infraestructura y otros servicios comunitarios, depende del censo para obtener datos precisos sobre quién vive en nuestra comunidad. Podemos amar a nuestros vecinos asegurándonos de que cada persona cuente.

¡Pregúnteles a sus amigos y vecinos si han completado su censo y, si no lo han hecho, pídeles que lo haga HOY! Puede ir a my2020census.gov o completar por teléfono en el siguiente número: inglés: 844-330-2020; español: 844-468-2020

CENSUS 'SUNDAY'

In these times when storms rage around us and we feel constantly tossed to and fro, like Elijah we listen for that tiny whisper, we look to and trust in Jesus for calm amidst the storm. Although there is much we cannot control, there are some things we can do right now.

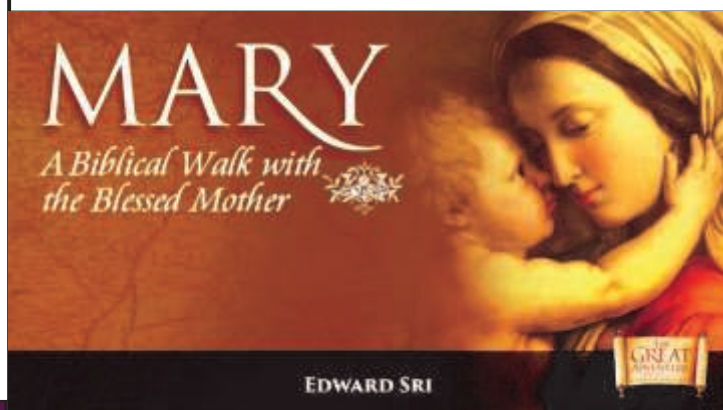

One practical example is to complete the 2020 Census. So much of our local community response to crises (like the present coronavirus pandemic), including the resources available to respond – whether healthcare, schools, infrastructure, and other community services – depends on the Census for accurate data on who lives in our community. We can love our neighbors by ensuring that every person counts.

Ask your friends and neighbors if they have completed their census and, if not, do it TODAY! You can go to my2020census.gov or complete by phone at the following:

**English: 844-330-2020;
 Spanish: 844-468-2020;
 Vietnamese: 844-461-2020**
