Dear Rev. Kenneth Richards,

I write on behalf of all the Franciscan Sisters of Allegany and our Associates, especially those in Jamaica, to express our condolences upon the death of Most Reverend Archbishop Emeritus Edgerton Clarke. He was not only bishop and archbishop to our sisters over the years, but more, he was the brother that we shared with Sister Greta Clarke. May he rest in the peace and the love of our gracious God!

As you prepare to celebrate the life, service, and faith of Archbishop Clarke, be assured of our thoughts and prayers for you and for all the people of the Archdiocese of Kingston.

In Christ,

Sr. Margaret Magee OSF
Congregational Minister
