

WISHING YOU

# *Happy Holidays*

FROM THE TIMEBANKS.ORG TEAM  
KRISTA, PAM, & ERIC

Thank you so much for being part of the TimeBank movement. As the year comes to a close, I want to let you know how much TimeBanks.Org appreciates all the work you have done this year to help your communities thrive.

It's been a wonderful experience to be by your side in creating more inclusive and kinder communities. Even the smallest act of kindness becomes a way of taking a stand against isolation, racism, disenfranchisement, and inequality.

With lots of excitement, we are looking forward to adding programs and regional workshops - all to enrich our lives as TimeBankers - plus fun events to meet TimeBankers all over the world in 2023! We're also eager to see TimeBanking in motion with our massive update to what is now a global timebanking software where members of local TimeBanks can choose to join in sharing digital offers and requests across the globe (more info to come soon!).

In March, we hope you'll join us for the annual International TimeBanking Day to celebrate Edgar Cahn's birthday and highlight Edgar's Living Legacy: Seeds of Change. [Read more here.](#)

We can't wait to see what 2023 brings!

Wishing you and your loved ones a very happy holiday and a happy new year.

With much appreciation to you,

Krista Wyatt
