Letter from the Executive Director

Dear Friends,

As we approach the final months of the year, I want to take a moment to express my deepest gratitude for your unwavering support and dedication to Friends of Foster Children. The holiday season is a time of joy and reflection for many, but for the children we serve, it can often be a time of uncertainty and longing. Your generosity ensures that these children feel the warmth, love, and sense of belonging they deserve.

Because of you, the children in foster care in Palm Beach County feel the magic of the holidays—the excitement of receiving a special gift, the comfort of knowing they are thought of, and the joy that comes from feeling part of a community that cares deeply about them. Your contributions, whether through donations, time, or resources, make a world of difference.

This year, more than ever, the challenges facing foster children have highlighted the critical role our community plays in their lives. As we continue our work together, please know that your involvement—large or small—creates lasting memories and impacts these children's futures. You are giving them more than just presents; you are giving them hope.

On behalf of our entire organization, thank you for your kindness, compassion, and ongoing commitment to helping foster children thrive. We couldn't do this without you, and we look forward to continuing our mission with your support in the new year.

Wishing you and your loved ones a warm and joyful holiday season!

With heartfelt gratitude,

Jane Denny Richardson
Executive Director
