

# Fighting H.A.R.D. Foundation

Helping kids who Have A Rare Disease or chronic illness

Hello!

We are excited to share that Fighting H.A.R.D. Foundation will be presenting A Fireside Chat Event on Rare Disease Day, Thursday, February 29, 2024, from 3:00pm until 6:00pm at the beautiful Hilton Garden Inn located in Hamilton, NJ. The event will include a panel of esteemed leaders from all aspects of the rare disease world. We would love for you to join us for a meet & greet with physicians, policymakers, patients, caregivers, healthcare administrators, and advocates throughout the industry. It is our hope that we can all come together to discuss important topics and share awareness, resources, hope, and change for rare disease families in New Jersey and beyond.

So many who are battling a rare disease are also navigating the challenges of insurance, lack of treatment options, clinical trials, numerous specialists, traveling for care, and an isolation that often accompanies a diagnosis or lack of one. Hearing from rare disease patients and their caregivers, along with raising awareness about each specialty's challenges and learning how we can all work together to effect change is our true mission. If we can all Share our Rare, then we can all learn how we can make changes in the system to help make H.A.R.D. life a little easier.

We would love for you to join us for this special complimentary event to share your questions, your knowledge and perhaps most importantly, your hope. Hope for a change. Hope for a cure. Hope for our kids. If you would like to be featured as a sponsor for this event or if you would like further information, please contact Tara Crocker at 908.907.1691 or Patricia Geurds at 609.498.4760.

Thank you so very much for Fighting HARD with us!

Sincerely and gratefully,

Alexandra and Jonna Crocker, Founders
