GlobalFingerprints Ministry Priorities: January 2026

AFRICA

Come beside the EFC of **Congo**. Sponsorships help Pastors reach their communities, transform the lives of children, strengthen their churches, and be the hands and feet of Jesus. The need is **RIGHT NOW!**

LATIN AMERICA

Haiti may be a “failed state,” but the church remains strong! We see churches being planted and strengthened. We have **200 children who need the gift of sponsorship**.

ASIA

Join us as we work with church planters in **Northeast India**. Children face **trafficking**, the church faces **persecution** and yet sponsorships provide security and a witness to the unfailing love of Jesus.
