W.O.M.E.N.

WOMEN OWNED & MANAGED ENTERPRISE NETWORK

W.O.M.E.N. is a Morgan State University (MSU) Entrepreneurial Development and Assistance Center (EDAC) Small Business Platform addressing the need of helping Maryland-based Black and Brown women veterans, Black and Brown military spouses, and Black and Brown women seeking contracting opportunities with government agencies and the private sector.

Special Thanks for our Connection with Our Partners and Local Resource Providers!

For any inquiries or comments, please reach out to Dawn Tucker at info@ltmctraining.com and/or Kamalia Blunt at kblunt@ltmctraining.com

01

ROOM TO GROW

This initiative is about helping solo entrepreneurs grow their resources so that they can be in position to take advantage of business opportunities.

GOV CONTRACTING ENTREPRENEURIAL BOOTCAMP

02

This Virtual Course will take place 1 Day a Week for 4 weeks during pre-established months for that year. The course focus is "Tools for Government Contracting "

WOMEN'S BUSINESS CERTIFICATION INITIATIVE

03

The Women's Business Certification Initiative on State & Federal Small Business Certification Program is an incredible resource for Women Owned and Women Veteran Owned Small Businesses and will be offered again this year to eligible registrants.

More information on the initiative can be found at www.edacmorgan.com or by calling 443-885-3663. Funding for the W.O.M.E.N. Platform is made possible by a grant from Truist Bank.
