COVID-19 VACCINATION SCHEDULE FOR WEEK OF FEBRUARY 22, 2021

Cancelled appointments rescheduled and new appointment links available

SHELBY COUNTY, TN – During the week of February 22 – February 27, 2021, Shelby County Health Department and partnering agencies will offer make-up vaccinations for those whose appointments were cancelled due to inclement weather and some limited new appointment availabilities.

Everyone with an appointment scheduled at Appling City Cove, the Pipkin Building, Germantown Baptist Church or SWTCC Whitehaven Center that was cancelled due to inclement weather will automatically be rescheduled to an appointment at the same location, same day of the week, and same time during the week of February 22, 2021. They will receive an email that specifies the date of their rescheduled appointment. There is no need to reschedule those appointments.

Additionally, the Health Department is making some new first and second dose appointments available this week. The following signup links are posted on our website: <https://shelby.community/>. Anyone without internet access may call the Health Department's vaccination hotline number: 901-222-7468 (SHOT) for assistance in setting an appointment. That hotline is staffed from 8:00 a.m. to 4:30 p.m., seven days per week.

Beginning Wednesday, February 25, 2021, teachers, child care providers and individuals age 65 and older are eligible to be vaccinated and may sign up for vaccination appointments.
